1. Primary Areas of Expertise Alignment

Given the call's listed domains, your profile strongly aligns with several key areas:

- **Result-Based Management (RBM)** & **Programming (Program Design & Implementation)**
- **Monitoring, Evaluation, Research, and Learning (MERL)** (aligned with Project Objective 4)
- **Knowledge Management and Communication**
- **Resource Mobilization & Proposal Design**

2. Key Elements to Prepare for the Portal

To complete your submission on the portal (https://bit.ly/47JXnKU), we should assemble the following required documents:

1. **Brief Expression of Interest (EOI):** A tailored 1–2 page document detailing core competencies, organizational overview (MRTC), experience supporting CBOs/local CSOs, and alignment with the *Shift the Power (StP)* principles.
2. **Updated Curriculum Vitae (CV):** Highlighting major assignments, MERL frameworks, and technical capacity-building over the past 3 years.
3. **Evidence of Previous Work:** Selected reports, project summaries, or portfolio links demonstrating previous consultancy deliverables.
4. **Professional References:** Contact details for at least two verifiable references (e.g., from prior MEAL/consultancy engagements).

5. **Daily Rate (MWK):** Standard consultancy daily rate expressed in Malawi Kwacha.
